Staff or Resource: In-person: Daniel S.

Date: September 24, 2024, 12:00 pm - 1:00 pm

What was the student working on?: a project report for final project

Course (Use this format: ENGL20, BUS100, PSYCH101): MSCS542L-256

Course level: graduate

Was the paper assigned for a graduate or undergraduate course?: Graduate

Focus of tutoring session: Revision

Did the student come prepared?: yes

Summary of Session:

Abhijeet came with a paper for his final project and wanted to do specifically proofreading. His work demonstrated a mastery of the subject and so I emphasized the importance of stylistic consistency - indenting consistently for example and using consistent syntax within the paper.

Recommendations:

He should go over his writing with a hard eye for detail, emphasizing the word consistency. The indentations should match all the way through as should the grammar. A strong start to an interesting paper.

Follow Up?: Yes

Was this the student's first time to visit the Writing Center?: Yes
